

Get busy and make your own Not So Busy Bee!

You will need:

- scissors, glue and a black pen

Instructions:

- carefully cut out all the pieces on pages 1 and 2
- fold the body piece in half and cut 5 lines (see photo 1)
- weave the black stripes in and out (photo 2). Glue ends to hold them in place.
- stick on all the other body parts
- with a black pen add the eyes and then draw the smile and eyebrows
- if you like, scribble some small circles with a red pen for the cheeks
